PAPUA NEW GUINEA AND TIMOR-LESTE

The recent spike in COVID-19 cases in Timor-Leste has made field visits and engaging partners more challenging.

UNFPA Regional Offices are providing technical support as needed to ensure the quality and timeliness of activities are not affected.

UNFPA is liaising with other partner UN agencies to ensure they are building on existing foundational work and avoiding duplication of investment.

Recruitment of the personnel that will support implementation is underway.
