Dear Governor Iujia and all D20 Zionians,

Thank you so very much for your third most generous donation of US \$20,000, making the D20 donation total for this biennium US \$60,167. Your generosity is awesome. Of course, this does not include the generous gifts from many clubs and individuals in D20.

We truly appreciate all of your support. Hoping to see many of you in Yokohama!
